EDUCATION

VNR VJIET   Hyderabad,Telangana
Computer Science B.Tech   Oct 2022 - july 2025

VMR Polytechnic College   Warangal,Telangana
Computer Engineering Diploma   july 2019 - june 2022
CGPA: 9.17

EXPERIENCE

folioX | Blockchain Developer Intern   Remote | Feb-2024 - May-2024

As a Blockchain Developer Intern, I'm passionate about DeFi and blockchain tech, with skills in HTML, CSS, and JavaScript.Solidity as a ETH blockchain for developing Dapps.

Unblocked(NFT) | Ambassador   Dec 2023 - Present

As ambassador - Unblocked(NFT)
- Passionate about blockchain's potential | Fostering community & advocating for decentralized tech.
- Ready to empower Unblocked's mission & dive into the dynamic world of blockchain.

HYD_DAO | Community Member   Hyderabad,Telangana | sep 2023 - Present

As a community member of HYD_DAO:
- Promoted inclusive participation: Fostered active engagement within the community.
- Driven key initiatives: Championed projects with positive community impact.

SKILLS

Programming Languages:	Java(Basics), Python(Mid), solidity(Mid), javascript(Mid)
Libraries/Frameworks:	React, Web3.js, ethers.js
Tools / Platforms:	Hardhat, VS Code, Replit, Figma, Remix(Solidity Compiler)

PROJECTS / OPEN-SOURCE

Decentralized Image Storage and Sharing Platform   *HTML, CSS, React, Solidity, Hardhat, Pinata*

Developed a decentralized platform for secure image storage and sharing on the blockchain using Solidity smart contracts, ensuring data integrity and user privacy.

Integrated Pinata IPFS for efficient decentralized image storage, providing a robust and secure solution for file management.

Web3 Bike Rental App   *Javascript,Solidity,Hardhat,Html,Css,web3.js,ether.js*

Experience decentralized urban mobility with our cutting-edge app, enabling seamless bike rentals through smart contracts for transparent, user-friendly transactions.

Peer-to-peer sharing and blockchain-powered ownership, ensuring hassle-free rentals and efficient management.

CERTIFICATIONS

- Certificate of Participation in Namma Yatri Open Mobility Challenge - **Unstop**

HONORS & AWARDS

- Selected from 3,000 applicants for the TSoC Internship Program, completed the Rookie phase as a Blockchain Developer, and earned a badge for active performance.
